Order 24 Hr. Duty At Control Center

Direct Telephone Line to Connect Lower Merion and Narberth

The Narberth Defense Council has decided to have a direct telephone line from the Lower Merion Defense headquarters in Ardmore to the Narberth Control Center in the Legion Room of the Community Building. Arrangements were made to have the telephone installed this week.

This will necessitate manning of the Control Center 24 hours per day to insure receiving the warning signals from Ardmore. Under the air raid warning setup, Lower Merion and Narberth constitute Zone 1 in Montgomery County but receive warning signals direct from Philadelphia instead of from the County Control Center at Norristown. The special one-way phone is being installed to insure promptest possible notification.

Henry G. Sparks, vice chairman of the Narberth Defense Council, is in charge of the job of obtaining volunteers to man the Control Center. The plan is to have two persons on duty there at a time. Women will be acceptable for daytime duty but men are wanted for the night hours. Persons volunteering may sign up in pairs or individually. Those now active in other services should not volunteer. It was pointed out.

Any persons wishing to volunteer for this duty should get in touch with Sparks, Narberth, 2454, or with E. C. Griswold, chief of the headquarters staff, who is at the Control Center in the Community Building every afternoon.

Plan Courses in Use of Firearms

Gun Club and Police Will Give Instructions

The Lower Merion Rod and Gun Club and the Lower Merion police department have worked out a plan to give citizens instructions in the use of firearms.

This was announced yesterday by the Club's president, Walter Johnston. Instructions will be given in the use of pistols, rifles and shotguns. Weekly classes will be organized. Indoor instruction will be given on the indoor rifle range at Lower Merion High School; the pistol range of the Lower Merion police department in Penn Valley and the trap shooting field of the gun club on the Nash Farm in Narberth.

Registrations for the course will be received at the American Legion Room in Narberth's Community Building. Instruction will be given by members of the Club and Lower Merion police. No charge will be made for the instruction. Courses will be open to both men and women.

Narberth Man Dies After Fall

Tennis Player Is Killed When Ladder Gave Way

A fall from a 36-foot ladder Tuesday afternoon caused the death of Osborne Corson, Jr., well-known amateur tennis player and former practice partner of Bill Tilden. Corson, who lived at the Windsor-Essex, Narberth, was painting the home of the Rev. John H. Poorman, 221 Price av., Narberth, and was apparently alone on the job when the ladder on which he was standing slipped from under him.

Passersby found him and he was taken by the Lower Merion police ambulance to Bryn Mawr Hospital, where he was pronounced dead.

A graduate of Ocean City, N. J. High School, Corson, who was 29, was a member of the football, tennis and baseball teams while a student there. During the summers, he has been acting as assistant tennis professional at the Ocean City tennis courts.

He is survived by his wife, the former Josephine Unger, daughter of Elmer Unger, physical education director at Lower Merion High School, and Mrs. Unger, and by his parents, Osborne Corson, of Ocean City, and Mrs. E. E. Edwards, of Salem, N. J.

Start Training For Ensign Appointments

Fourteen Pennsylvania youths, newly appointed as aviation cadets, began training today for appointment as ensigns in the U. S. Naval Reserve. It was announced by the Navy Department.

Included were: William F. Har- rity, Jr., Ardmore; David J. Mor- gans, Melrose Park; Francis H. Bohlen III, Bryn Mawr.

Police Pistol Team Won First Place In 21 Matches

Lower Merion's police pistol team won six first places in 21 matches they were entered in last year, the police committee of the Township reported last week.

In addition they placed second a total of six times and held the third place position in four matches.

In other words there were only five matches in which they failed to chalk up first, second or third place positions.

The number of entries in the matches ranged all the way from four to 115 at the Teaneck, N. J., match. Most of the matches were held in New Jersey. New York, District of Columbia and Pennsylvania.

Lownes Will Not Run for Assembly

Harmony Important in Gubernatorial Year, He Says

Magistrate Walter B. Lownes, Jr., Gladwyne, set at rest this week a rumor that he would be a candidate to succeed Assemblyman Lambert Cadwalader from the First Legislative District of Montgomery County.

Cadwalader is also a resident of Gladwyne. In withdrawing from a contest in which he was never officially entered, except through the desire of his friends, Lownes said he was keeping in mind that there was a gubernatorial campaign involved this year and he thought harmony should be uppermost in the minds of all loyal party workers.

Magistrate Lownes' statement follows:

"Last week it was brought to my attention that friends of mine have been proposing my name as a candidate for the State Legislature. I wish to state at this time that I have not been or do not intend to be a candidate for that office. I am personally satisfied with the present political situation and, furthermore, I believe we are fortunate in the type of party leadership we enjoy in Lower Merion Township and Montgomery County."

When Magistrate Lownes was asked to go into details he declared he had no intentions of amplifying his statement as he thought it said enough.

Winner Treasurer Of Hospital Plan

At the first meeting of the Board of Directors of Inter-County Hospitalization Plan, Inc., held in the new executive offices in Glenside, Edwin Winner was elected treasurer to fill the office to be vacated by Howard MacBain.

Winner is a member of the House of Representatives at Harrisburg from the Third Legislative District of Montgomery County, and has served this District for four consecutive terms since 1935.

Lecture Series On Victory Gardens

A series of lectures on Victory Gardens will be given under the auspices of the Red Cross by John Andrew, of the Ambler Horticultural School, at the Radnor Grammar School, Wayne, on March 4, 11, 18 and 25. The lectures will start at 8 p. m.

Senator Brands Rumor False About Savings of Italians

Rumors circulated in Lansdale and other sections of Montgomery County that the savings accounts of first generation Italians would be confiscated were dispelled in a statement made by Senator Franklin Spencer Edmonds in the State Senate Harrisburg last Wednesday.

He said: "I have been advised from various parts of the County where Italians of the first generation reside that there has been a rumor circulated among them to the effect that the government intends to confiscate savings fund accounts, and this rumor has caused a great deal of concern to an honest and hard-working element in our population."

Moreover, those of us who are acquainted with the Italian-Americans recognize that the vast majority of them are loyal and patriotic citizens who have accepted the new life in America with a full appreciation of its responsibilities, and who intend that they and their children will demonstrate their loyalty to the country of their choice. In view of these rumors, I wrote to Attorney General Biddle and inquired as to the policy of the government. Mr. Biddle referred my letter to Secretary Morgenthau, and I have just received a letter from Secretary Morgenthau which reads as follows:

"We must all appreciate that those who are newcomers to America are sometimes the victims of unscrupulous men, and it seems to me important that our fellow citizens of recent origin should understand definitely that there is no intention on the part of the federal government to disturb their savings accounts. One of the banks in Lansdale has already made public advertisement of this fact, and I understand that the other banks are fulfilling their full duty in this matter. I think they will be interested to have this definite statement from the Secretary of the Treasury."

L. M. Hopes To Use Eagles As Tune Up For Playoffs

Resting serenely on the Section One throne of the Suburban Conference for the fourth straight year, Lower Merion High School's basketball team will bring their league campaign to an end when they entertain Norristown High School at Downs gym Friday night.

Ordinarily the prospect of a game with Norristown would send shivers of anticipation down the spines of L. M. followers, but this final contest this year is just another game, a tune-up for the District One, P.A.A. playoffs which get underway next week.

Coach Bill Anderson's boys polished off Norristown, 30-17, earlier in the season at Norristown and unless the Maroons are way overconfident they should be able to chalk up their 18th victory in 19 games by whatever margin they please.

The L. M. quintet rebounded sharply from its heartbreaking setback at Allentown to trounce Haverford High School, 37-19, at Brookline last Friday to officially stow away the title.

The victory was the ninth straight in the league and gave L. M. the Section One crown for the 11th time in the last 13 years, a record that no other suburban school has ever come close to equalling.

It was fitting therefore that the Andersonmen turned in their most impressive play of the year as they ran rings around the Fords in piling up a 24-6 halftime lead. The team play was superb, all the plays clicked with devastating effectiveness and everyone on the team was in fine shooting form. Haverford fought hard as usual but was never in the ball game, so brilliant was

Clubwomen Aid Salvage Campaign

Salvation Army Cards To Be Distributed at Next Meeting

Major R. E. Baggs who is in charge of The Salvation Army's "Salvage for Victory" campaign in this area, announced today that the Women's Community Club of Narberth is cooperating splendidly in the collection of the salvaged material.

Mrs. L. G. Crater, president of the club, assisted by Mrs. H. H. Jacobs and Mrs. C. F. Trowbridge of the Conservation and Art committees respectively, has arranged to have over 200 window cards hand painted by the Art committee.

These cards will be distributed at the club meeting on Tuesday. They are white, bearing a Red Shield, the emblem of The Salvation Army, and they are to be displayed in the front doors and front windows of the members of the Club, for the duration of the War.

The Red Shield card is a symbol denoting that the home is helping to make weapons by salvaging waste paper, old clothing, rags, furniture, scrap paper, metals and rubber.

The Salvation Army trucks will visit Narberth each Thursday and collect waste material from each home displaying the Red Shield card. Anyone not receiving a card is requested to call or write to The Salvation Army in Philadelphia or call Manayunk 3340.

Senator Brands Rumor False About Savings of Italians

and which I am glad to read because it deals with a situation that may be noted in other sections of the state. The letter is as follows:

"The Attorney General has called my attention to your letter of February 6, 1942, discussing the harmful effects of rumors circulating that the Government intends to seize all bank accounts and all property in the name of Italian aliens."

"I want to say that I am fully in agreement with you as to the insidious effect of these rumors. As I have repeatedly stated, such rumors have no foundation whatever."

"We must all appreciate that those who are newcomers to America are sometimes the victims of unscrupulous men, and it seems to me important that our fellow citizens of recent origin should understand definitely that there is no intention on the part of the federal government to disturb their savings accounts. One of the banks in Lansdale has already made public advertisement of this fact, and I understand that the other banks are fulfilling their full duty in this matter. I think they will be interested to have this definite statement from the Secretary of the Treasury."

L. M. in every department in the first half.

True, Haverford held the champions to a 13-13 deadlock in the second half, but it was quite evident that the Maroon was coasting and could have piled up a larger score had it desired to apply the pressure.

The scoring totals show just how well balanced was the L. M. attack. Captain Harry Middleton and Greer Heindel, the two vets, led the way with eight points each, while Phil Harman, the little sophomore, and lanky Al Eakins contributed seven and six points, respectively.

Bill Ash, at forward, played a grand but futile game for Haverford, leading the Fords with two field goals and five out of five foul tosses for nine points.

It was Haverford's eighth setback in nine games and kept it buried in the cellar. Incidentally, Haverford was the last team in the league to beat L. M., handing the Maroon its only league setback early last season.

Urges More Work And Fewer Words

Women Talk Too Much, Says G. O. P. Council Speaker

A warning to the women of this nation that "we all talk too much," was sounded Tuesday by Mrs. Charles H. Wells, Jr., president of the National Federation of Republican Women's Clubs, speaking at a luncheon meeting of the Lower Merion-Narberth Council of Republican Women.

"We spread rumors and build up disturbances," she stated, "and while we talk about the need for sacrifice, we complain about sugar and the rubber shortage."

"We can't win this war if we don't give everything we have," the Republican leader warned. "Industry must give up undue profits and labor must go to work for as many hours as needed to do the job of arming our nation."

The need for continued interest in political activities in addition to defense work was also stressed by the speaker. She reminded her audience that "women will be largely responsible for keeping the Republican party strong. 'If the two-party system goes,' she said, 'what are we fighting this war for?'"

Mrs. John Y. Huber, Jr., president of the local council, conducted the meeting, held at Whitehall Hotel, Haverford, and presented the following guests: Mrs. Frank T. Passmore, vice chairman of the Chester County Republican Committee; Mrs. J. K. Trimble, president of the Anthony Wayne-Radnor Township Council of Republican Women, and Mrs. Mary H. Beerer, Montgomery County Treasurer, and president of the Norristown Council of Republican Women.

Plan Protection for Stained Glass Windows Of Local Churches

Cooperation in planning blackouts for churches and preserving stained glass windows was offered the Main Line Ministers Association at its luncheon meeting Tuesday at the Y. M. C. A., Ardmore, by G. Herbert Taylor, chairman of the black-out committee of the Lower Merion Council of Defense. The Rev. Franklin Duncombe of Bala-Cynwyd, chairman, presided.

Churches may be temporarily blacked-out by pulling the switch. Mr. Taylor said, but few are equipped for a long-time black-out. A model set of windows, architecturally arranged to illustrate various types, is already on display at the Times Medical Building. Mr. Taylor pointed out.

Preservation of valuable stained glass windows in case of an attack are another problem of the churches, and Mr. Taylor reported the black-out committee ready to assist in obtaining materials for this also at the cheapest rate available.

Volunteers Needed For County Defense

A call for volunteers for office, messenger and executive work at the Montgomery County Control Center in the Court House at Norristown was issued this week by Guier Wright, director of the County Defense Council.

The grand jury room on the first floor of the Court House Annex is being used as a Control Center.

Volunteers, he said, should apply for these positions on Monday and Tuesday of next week between the hours of 11 a. m. to 1 p. m. and 2 to 4 p. m.

If possible, Wright said, the applicants should have office experience.

Propose Former Narberth Man for Twp. Commissioner

Ask That He Replace Jefferies In General Wayne District

In a petition signed by several hundred residents the name of H. W. Pfeffer is being proposed to represent the General Wayne District on the Lower Merion Township Board of Commissioners.

Pfeffer lives at McClenaghan's Mill and Moreno rds. and is president of the Penn Valley Association.

He is being proposed to fill the vacancy that will exist when the resignation of John H. Jefferies, Jr., commissioner of the District, becomes effective on March 5. Jefferies, who was elected president of the Township Board at the beginning of the year, joined the U. S. Navy and is now stationed at Cape May, N. J.

There are approximately 1200 residents in Penn Valley and the petition in behalf of Pfeffer has been in circulation less than a week. Paul Devaney, Old Gulph rd., is chairman of the committee circulating the petition. The committee expects to have signatures of more than 50 percent of the residents.

The petition will be presented when the commissioners meet next week. Although the law governing the selection of a commissioner, where a vacancy exists, does not require a petition from residents it follows a custom which prevailed when such vacancies were filled by Montgomery County Court. At that time, judges looked to petitions from residents as a guide in making the appointment.

Pfeffer has lived in the General Wayne District for 15 years and prior to that he was a resident of Narberth Borough for five years. During the World War his home was in Bala from where he enlisted for 23 months' service in the Ordnance Department of the U. S. Army. He is a member of the Union League and the Philadelphia Country Club.

Three years ago Pfeffer replaced Walter D. Fuller, head of the Curtis Publishing Co., as president of the Penn Valley Association.

Pfeffer is general manager of the American Blower Corporation with offices in the Broad Street Station Building, Philadelphia, and is also associated with Struthers Dunn, Inc., 2315 Cherry st., manufacturer of electrical equipment.

When asked about the petition Pfeffer said there was "nothing political" about its circulation and only constituted a vehicle through which the residents were suggesting a name to Lower Merion commissioners whom, he added, were doing "a mighty swell job of governing the Township."

Children's Dental Clinic Here Is Only One In This Area

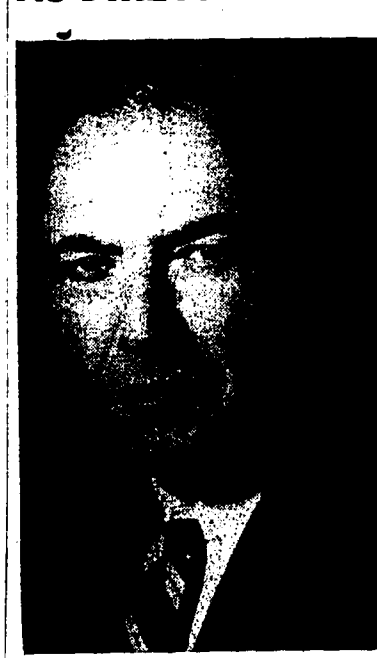

The Borough of Narberth has the only children's dental clinic operating in this area. This service is under the supervision of Edith W. Unruh, Narberth's public health nurse.

The clinic is made possible by the local dental committee, headed by Dr. Monroe T. Rees, and the Bryn Mawr Hospital. It is financed by the Narberth Women's Community Club and the State Dental Association. Other members of the dental committee are: Dr. H. Lane, Dr. J. S. Wyckoff, and Dr. Edward F. Allen.

Miss Unruh is a member of the staff of the Community Health and Civic Association, whose office is in Ardmore, and her services are made available to Narberth by the Board of Health, the Narberth Public Schools, and the Narberth Women's Community Club.

Selected groups of children from the Narberth Public Schools, the Health Center, and St. Margaret's

BURGESS MILLER TO TAKE OVER DUTIES AS DIRECTOR OF CIVILIAN DEFENSE

— Photo by Chester Cheser —
RICHARD L. MILLER

The Narberth Defense Council announced last Friday that the Borough's new Burgess would be placed in charge of defense.

Tax Collections Set New Record Montgomery County Controller Issues Annual Report

The annual report of the Montgomery County Controller, Dr. Frank P. Barker, which sets forth in detail all receipts and expenditures of the County government for 1941, has been issued and was printed as an advertisement in last week's issue of this newspaper.

Dr. Barker's report indicates that outstanding taxes for 1940 and all prior years have been collected in full with the exception of \$20,274.40 from one municipality where legal action has occasioned delay in the collection. This condition in regard to back taxes is believed to be a record.

The report provides the answer to two important questions about the county government, viz: where did the money come from and how was it spent. The excellent financial position of the County is shown by the fact that the total balance in all county funds on January 5, 1942 was \$474,894.92. In addition, the Institution District has a balance of \$164,051.61.

Containing a wealth of factual information, Dr. Barker's report points out, for example, that ballots for the primary and municipal elections of 1941 cost \$3,155.49, that the County Commissioners spent \$480,368.41 on County aid road and bridge projects and that \$57,471.82 was expended in caring for dependent children, to pick out a few items at random.

Receipts and expenditures of all County "row" offices, expenses of operation of the courts and additional costs of legal administration are among other matters set forth.

Former Football Star Is Arrested By Radnor Police

A former Norristown High School football star and a member of the Temple University freshman eleven, was arrested at 1230 Sunday morning at Villanova by Radnor Township police while driving a car he allegedly stole in Norristown Friday night.

Turned over to local authorities the defendant, George T. Glisson, 19, of West Vain Street, near Noble was arraigned before Magistrate Joseph Wolfe and held under \$500 bail for court.

Children's Dental Clinic Here Is Only One In This Area

Parochial School who need dental care are taken once a week to the clinic at Bryn Mawr Hospital by a committee of Volunteer drivers.

Last year the clinic took care of 57 patients. There were 174 return visits and 28 cases completed. Twenty-three were referred for cleaning and 26 for extraction.

This month a new service has been initiated, in cooperation with the Lower Merion High School, whereby girls interested in dental careers are being taken to the clinic to assist and observe. Each girl will be given a month's practical experience.

Mrs. C. Arley Farmer, chairman of the Welfare Committee of the Narberth Women's Community Club, said this week: "We feel proud of the work being done in our clinic. When we consider that two out of every 20 draftees are rejected for dental reasons we realize there is defense work to be done."

Challenger Will Continue as Chairman of Council

Solicitor Advises Move

Richard L. Miller, Narberth Burgess, has taken over the duties of director of defense in Narberth's civilian defense organization.

Announcement of the change whereby Miller succeeds Frank S. Challenger in this position was made at a meeting of the Narberth Defense Council at the Community Building, Windsor av., Narberth, last Friday night.

Challenger, who also holds the position of chairman of the Narberth Defense Council, asked to be relieved of his duties as director of defense because of work occasioned by the two offices and by his own business. He will continue in the post of chairman of the Narberth Defense Council.

As director of defense, Burgess Miller will be the head of the active services organized under the sponsorship of the Narberth Defense Council. That means that the air raid warden organization, the auxiliary firemen and police, the medical unit and others will be under his direction.

Under an ordinance adopted recently by the Narberth Borough Council, the Burgess is authorized to order a blackout and to direct enforcement of the provisions of the ordinance. In the opinion of the Borough solicitor, it was legally necessary for the Burgess to assume the duties of director of defense.

The ordinance provides that: "Warnings of the beginning and termination of such periods shall be given through the Borough by a system of audible signals which shall be publicized by the Burgess."

As in other nearby municipalities where similar ordinances, enabling to the State Defense Act, have been passed it gives power of enforcing the regulations to policemen and firemen and all members of the auxiliary police and fire forces and air raid wardens.

Penalty for violating any of the regulations is a fine of not more than \$100, recoverable with costs, together with judgment or imprisonment not exceeding 30 days if the fine and costs shall not be paid within ten days.

7000 Scouts At Valley Forge Park

Investiture Services For 1003 in Tenderfoot Class

More than 7,000 Scouts of the Valley Forge Council honored George Washington, February 21 in a Pilgrimage to Valley Forge.

Five thousand persons; leaders, parents and enthusiastic friends of Scouting reviewed the Scouts in their 30th annual tribute to the founder of this nation and to the Revolutionary heroes.

Then the Scouts held an encampment, where a noon day meal was prepared, near the historic site where the Continental Soldiers spent their historic bitter winter.

Boy Scouts, representatives from 310 Scout troops, Sea Scout Ships, Explorer Patrols, throughout Delaware and Montgomery Counties, comprising the Valley Forge Council, attended the largest Scouting pilgrimage in the country.

Special Investiture services for 1,003 Tenderfoot Scouts admitted to various troops since last October were held in the Valley Forge Memorial Chapel.

The Rector of the Chapel, the Rev. John R. Hart, gave a challenge for patriotism through Scout Training. Rex I. Gary, Scout executive, made a plea for citizenship, citizenship and patriotism, similar to that displayed here, 164 years ago, must go on, never ceasing, by youth, American in mind and body.

Other speakers were A. W. Binns, president of the Valley Forge Council, J. Hansell French, Scout Commissioner.

Previous to the services, the many Scouts paraded from Defenders Gate to Woodland Cathedral, reviewed by Henry Davis, David Sheerer, Charles Schulz, Peter Kinsey, Al Mathers, Dr. K. E. Vought, Arthur Binns, Malcolm Petrik.

Sea Scouts and Explorers, in an impressive ceremony placed a wreath on the grave of Rev. W. Herbert Burk, former rector and founder of the chapel.

Sermon - Topic

"Christ Jesus" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 1. The Golden Text is: "God shall supply all your need according to his riches in glory by Christ Jesus" (Philippians 4:19).

CALLING THE TURN
by L. M. FORD

Playoff time is just around the L. M. to an extra period in the corner. In just another week the various scholastic league champions will be meeting to decide district champions. These district champions in turn will meet each other to crown Eastern and Western champions and these two survivors will battle it out for the state P. I. A. A. championship.

At just about the time the district school champions are being crowned, the four strongest independent clubs in the district start their playoffs to decide the Main Line League championship. And for a couple hectic weeks these championship basketball on tap at most every night of the week.

As far as we're concerned, this is the most enjoyable time of the year. There's a certain something to these playoffs that gets you in the excitement, the color, the thrill, the drama, the cheers and the tears. It all sets into your blood. Whether you're 16 or 60 you know that keen anticipation for battle, you glory in the spectacle as it unfolds and when it's over you are happy and satisfied. Yet there is a lost and forlorn feeling, too, as you unwillingly realize that there really nothing much to look forward to for another whole year.

It's like Christmas. You look forward to it for weeks. The second day finally arrives. Then, pluff! it's gone. Just like that.

So make the most of the playoffs while you may. Every game can always be the last, you know.

L. M. vs. Sell-Perk

Lower Merion High School, which surprised everyone by waltzing right through the playoffs to win the state title last year, has drawn Sellersville-Perkasie, likely winner of the Bux-Mont League, as its first opponent. This game will be played Tuesday, March 10 at Penn's Palestra. The winner of this game will be back Tuesday night to play Hazleton first half champ, for the league diadem.

Lower Merion fans will be following these games with keen interest as it looks more and more as if the East Penn League representative will be L. M.'s main rival in the inter-district playoffs. Most Main Liners want Allentown to come out on top so that the Maroon will have a chance to avenge its only defeat of the campaign.

Pottsville, should it emerge as the East Penn winner, could very easily become the terror of the eliminations. The team that becomes "hot" at this stage of the race is the one that usually goes places. Remember how Lebanon came from nowhere to sweep over L. M. and everyone else to take the state title two years ago? Well, the Potters could very easily be another Lebanon. Keep your eyes on 'em!

"Disaster" Hits In Wynnewood First Aiders Treat "Victims"

"Disaster" struck the Wynnewood Park Apartments, Air Raid Sector Post F-1, Tuesday night, but when it came the "victims" of the "catastrophe" were ably cared for by members of the Post's First Aid Unit at their first meeting under the leadership of Albert E. Turner, Jr., instructor in charge.

Suffering the effects of "explosive, fragmentation and incendiary bombs" and "carbon monoxide gas" the "victims" were given first aid care at the scene of their injuries by the rescue squads and transported by the litter squads to the First Aid Post in Basement 5, where the headquarters squad under Post Physician E. L. Housel took over.

Under actual disaster conditions, or in an official test, the group would work under the supervision of the Township Council of Defense and the Red Cross. Until such a call should come, the members, all advanced first aiders, are determined to keep in practice.

About 70 residents of the Apartments and guests from the American Red Cross and the Council of Defense attended the meeting, held in Basement 5 headquarters.

Then the "disaster" was staged. Called by Mr. Shields to an adjoining room, the "victims" were directed to the scenes of the "emergency," and told what they were to "suffer."

Reports of an "incendiary bomb" took rescue squads to the basement of No. 2 Building where they treated the "victim" for second-degree burns and marked on a card what had been done. He was then placed on a stretcher by the litter squad and taken to the Post station, where the work was inspected by the doctor, Dr. Owen J. Toland, sector F physician, watched the proceedings.

A second call took the rescue squad to the first floor of No. 26 Building, where a "fragmentation bomb" was supposed to have caused fractures and severe bleeding of two "victims." A "fractured neck" case was carried over the plaza for further treatment.

When "carbon monoxide gas" was reported in No. 4 Basement, the rescue squad took the "victim" out into the fresh air and applied artificial respiration before bringing him to headquarters.

Many Use Red Cross For Message Exchange With Enemy Countries

During the week of February 16 nearly 100 persons asked the American Red Cross Branch in Ardmore to send messages to enemy countries where their loved ones are prisoners or stranded as enemy aliens.

This service offered, free of charge, by the American Red Cross through the aid of the International Red Cross is one of the many services that have become vital since our entrance into war and which must be supported by the funds now being solicited on the Main Line for the American Red Cross War Relief.

The content of these messages which are of 25 words each, and the names of the senders, are in most cases kept confidential. However, Miss Mary Weldon, executive secretary of the Ardmore Red Cross, selected with permission two cases from her files, in order that the public might have a more intimate knowledge of this service.

The first is a message received on Saturday from Unoccupied France—the message is as follows: "All in good health, but are becoming stylish! Last news from America was in July, and you? Working at Sochaux, travel by bicycle. We hope for better days. Loving kisses to all, signed Yvonne."

Although the International Red Cross has been able to contact Germany, Italy, Japan, Russia, and Greece and other German occupied countries it was not until the week just past that a contact could be established with China.

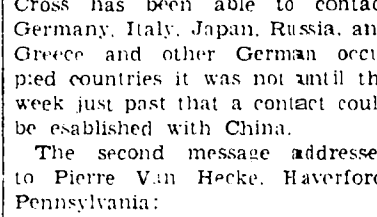

The second message addressed to Pierre Van Hecke, Haverford, Pennsylvania:

"Dear Papa: Hearty good wishes for Christmas and the New Year. Everything well at home. Received three letters from Philadelphia—were very happy. Hearty kisses and hoping for an early reunion, signed Mama and the children."

Unable to locate this man in Haverford the search led to New York, but the message was fated never to be delivered for the last letter of a volume of correspondence reads:

"Re: VAN HECKE, Pierre. Dear Miss Weldon.

The above named man, regarding whom you sent the enclosed message, was lost at sea."

NELSON'S

5c & 10c STORE

103 N. NARBERTH AVE.

Open Every Night Till 9

Tells of New Product For Extinguishing Incendiary Bombs

A new preparation, manufactured to extinguish incendiary bombs will be placed on the market soon according to Newton Misell, one of Narberth's air raid sector wardens.

Misell explained that the preparation, which will be called "Dumag," is being manufactured by large oil companies. The companies expect to place it on the market next month and it will sell for \$3 a carton.

In the meantime, Misell calls attention to the fact that sand is still at the vacant store at 104 Essex av. Volunteers keep the store open from 7 to 9 p. m. to give away the sand.

Guild to Choose Officers March 5

The Women's Guild of the Narberth Presbyterian Church will hold its annual business meeting and election of officers at the church on March 5, following supper at 6:30 p. m.

Sewing and surgical dressing groups will meet at 3 p. m.

Principle business of the annual meeting, in addition to the election of officers will be the re-drawing of circles. Mrs. F. K. Fildes will be devotional leader, and Mrs. W. Edward Torrey, secretary of the Spiritual Life Group for the Presbytery North, will be the speaker.

Mrs. Edgar Cockrill, chairman of Circle No. 8, will be hostess.

Barone to Conduct Symphony Concert

The American Little Symphony of Philadelphia will give a concert for the benefit of the Navy Relief Society at the Academy of Music on Monday evening.

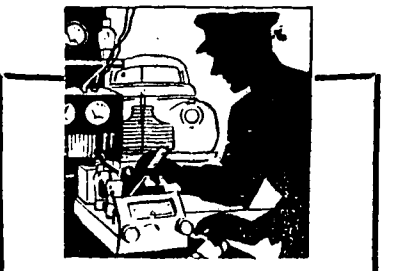

The group, whose founder and director is Joseph E. Barone, of Bryn Mawr, is made up of 30 Philadelphia Orchestra musicians. On Monday, they will present four young American artists in debut: Jean Schroeder, cellist; Mary Norris, pianist; Alan Hovaness, composer-pianist; and Frederick Wilmann, composer-conductor.

The program will include works by Corelli, Boccherini, Bach and Mozart.

Nelson's Five-and-Ten Marks Anniversary

An anniversary sale will be held, starting today and continuing through next Thursday, at Nelson's Five-and-Ten on Narberth av., Narberth.

As a prize, at the close of the sale week, some fortunate customer will receive a \$25 Defense Bond, according to Mr. Carabell, the store's new manager.

NARBERTH SCHOOL NOTES

On Friday, February 15, assembly devotion was led by Frances Burns and Bob Lewis. The honor roll was read and the pupils who have been on honor roll for both quarters received their medals.

The honor roll is as follows: eighth grade, first honors, Jean Duncan, Mary Lou Haldeman and Ruth Oberdorfer; second honors, Martha Miller, Betty Boyd, Cornelia Capobianco, Frankie Clark, Jim Griffiths, Bob Lewis, Frank Hamner, Jean Liles, Wanda McHale and Betty Wheeler.

Seventh grade, first honors, Bob Chambers, Dorothy Choe, Donald Dyer, Tom Lewis, Dick Green, Jane Miller, Jeanne Maser, Mary Purman, Joyce Reiter, Donald Pearson, and Betty MacLeod; second honors, James Kay, Joyce Boardman and Lynn Miller.

Sixth grade, first honors, Dick Blash, Mary Jane Ann Kirk, Bob Liles, and Louise Purman; second honors, Gail Carter, John Dabbuck, Edna Reid, and Jean Baker. Margaret Robb, Jane Sch-

repper, Louise Watts, and Karl Williams.

The installation of the School patrol and Safety patrol was also made. The members of the School patrol are: Evelyn Weaver, Ruth Oberdorfer, Mary Lou Haldeman, Bradley Maser, Bob Lewis, and Sallie Brown. The following are the members of the Safety patrol: Captain, Joe Cappelli; lieutenants, Judson Clements and Dick Maryott; Dave Brooks, Roy Weiss, Jim Denman, Bill Boyle, Frank Hamner, and Francis Burns. Both patrols are now in operation.

Mary Lou Haldeman, School Reporter, 8th Grade

A Junior Red Cross Main Line Council meeting was held February 11, 1942 in the Assembly Room of the Baldwin School, Bryn Mawr, at 4:00 p. m. The chairman was Mrs. Edwin S. Rockefeller. The representatives from Narberth School were Catherine Blum 4-1 and Jim Denman, 8-2. They gave reports on work done here. Some of the articles recently made here are: twenty dirty bags, twenty hospital bags, two Afghans, nine air raid warden head bands and 20 air raid pillows.

The basketball game, February 16, between the Reds and Grays, was quite exciting because if the Reds won they would be awarded letters. As luck will have it, the Reds won with a score of 18-17.

Shirley Toole, 8th Grade

Martin - Healy Wedding Set For March 14

Two Sisters to Attend Wynnewood Girl

Miss Margaret Healy, daughter of Mr. and Mrs. Fred Albert Healy, of 431 Wister rd., Wynnewood, and Mr. Donald Sherwood Martin of Detroit, Mich., son of Mrs. Hugh Glenn Martin of Narberth, and the late Mr. Martin, will be married March 14 at 4:30 p. m. in All Saints' Episcopal Church, Wynnewood. The Rev. Dr. Gibson Bell will perform the ceremony.

Mrs. William Peter Schubert of Houston, Texas, and Miss Frances Healy, who is attending the University of Illinois, sisters of the bride will be the matron and maid of honor.

A reception will follow the ceremony at the home of the bride's parents.

After their return from a wedding trip, Mr. Martin and his bride will live in Detroit.

Miss Healy is a graduate of Miss Baldwin's School, Bryn Mawr, and attended Smith College.

Mr. Martin attended Morristown School, Morristown, N. J., and was a member of the class of 1941 at Lehigh University. He is a member of Phi Gamma Delta fraternity.

JEPTHA ABBOTT D.A.R. WILL MEET MONDAY

The name of the winner of the Americanism Prize awarded annually in the Ardmore School will be announced Monday at a meeting of the Jephtha Abbott Chapter, Daughters of the American Revolution.

The meeting will be held at 2:30 p. m. at the Overbrook Presbyterian Sunday School, Lancaster av., Overbrook.

Mrs. Charles A. Lundahl, president of the G. A. R. General Anthony Wayne Society, will have charge of the program, and the hostesses will be Mrs. Buell G. Miller and Mrs. John A. Milburn.

New Store Opens in Borough Saturday

This Saturday will mark the start of a new business venture in Narberth for on that day, a new Ben Franklin Store will open at 228 Haverford av. under the management of Arthur H. H.

Mr. and Mrs. Charles R. Jones, of Narberth, announce the engagement of their daughter, Miss Louise Blagden Gay, to the Rev. Barrett Langdon Tyler of Rhinebeck, N. Y., son of the Rev. Dr. Barrett Tyler, of Rhinebeck formerly of Winchester, Va., and the late Mrs. Tyler.

County Gets Tire Quota for March

Applications Scheduled to Start But No Forms Are Ready

Montgomery County has been allocated 270 passenger car tires and 225 tubes; 618 new truck tires, 266 truck retreads and 695 truck tubes for March under quotas announced for next month by State Rationing Director T. Elmer Truesell, Harrisburg.

Notification to this effect was received today by the Montgomery County Commodities Rationing Board, which immediately will begin breaking down the quota for allotments to the 11 "local" boards throughout the county.

Throughout Pennsylvania, it was announced, 53,390 tires and tubes, including retreads, will be available during the month for essential users. This is an increase over February's quota of 35,744 tires and tubes.

Although applications for retreads are scheduled to start being received today the County Commodities Board still has no application forms, according to Secretary Norman John.

John A. Lafore, Jr., Merion, is a member of the County rationing board.

Brookline And Upper Darby Meet For 1st Place Monday; Narberth Challenges Yeadon

Thundering down the home stretch on even terms, Brookline and Upper Darby will collide head on Monday night to decide undisputed possession of first place in the Main Line Basketball League.

The battle, most crucial of the campaign to date, will take place at Haverford High School at 8 o'clock prior to a contest between the fifth place Wayne team and Earline on Men's Club of Ardmore.

Brookline and Upper Darby are virtually tied for the lead. It is one of those screwy situations when the Brooks are actually a half game ahead yet are trailing by four points in the percentage table. This is due to the fact that Upper Darby has played less games than the champs.

Another game of great importance Monday night will pit the two other first division clubs, Narberth and Yeadon, together on the latter's Bellay School court. Yeadon, Brookline and Yeadon hold 2-1 edge in their series with their first division rival. The Brooks dropped a 34-30 overtime decision to Upper Darby, then defeated the Lawmen, 37-34, and 30-34. Yeadon defeated Narberth, 41-33, and 40-30 but had a near-game winning streak halted by the borough passers, 31-27.

Brookline became the first of the contenders to clinch a playoff position when it nosed out Yeadon, 34-32, in a bruising hard fought game at Yeadon Wednesday night. The Brooks have only two more games to play and can lose both and still be assured of at least a tie for a spot in the post-season eliminations.

The victory over Yeadon was Brookline's seventh in a row and came as a result of Al Lafferty's last minute field goal after a tip and luck contest in which the lead changed hands many times. The Brooks went ahead 26-23 at the start of the last quarter on goals by Bob Lloyd and Doug Sheppard. They never lost the edge thereafter but were always hard pressed.

Narberth climbed back into third place by walloping Clifton Heights in the opener of the twin-bill at Yeadon. The boroughites were held on fairly even terms in the first half, but used a fast breaking attack to great advantage in the second half to win going away.

The victory enhanced Narberth's chances to land a playoff berth and just about ruined any hope of Clifton making the eliminations.

Thursday a week Narberth's hopes for first place were given a rude jolt when Brookline nosed out the borough clan, 35-34, in a thrilling, well played game at Lower Merion High School. Brookline led almost all the way but it was any body's game right down to the wire. Johnny Herring's 12 points and the splendid pinch play of Lou Mostard, former Haverford High captain, turned the tide in Brookline's favor.

Following this contest Yeadon returned to its winning stride by crushing Earline Men's Club, 59-49. On Monday Bobby Sutter banged 22 points into the cords to lead Upper Darby to a 46-39 victory over Berwyn, 33-27, in a twinbill at Haverford High School. There was no change in the in-

MAIN LINE LEAGUE Standing of the Teams

	W	L	PC
Upper Darby	16	7	.696
Brookline	18	8	.692
Narberth	15	9	.625
Yeadon	15	10	.600
Wayne	10	10	.500
Clifton Heights	10	12	.476
Earline M. C.	6	18	.250
Berwyn	3	19	.150

Next Week's Games

MONDAY—Upper Darby vs Brookline and Wayne vs Earline at Haverford High School; Narberth at Yeadon.
WEDNESDAY—Clifton Heights at Yeadon.
THURSDAY—Narberth at Wayne; Clifton Heights at Berwyn; Upper Darby vs Earline at Lower Merion High School.

dividual scoring race, Johnny Herring, Brookline rookie, maintaining his four point lead over Joe Reese, aggressive Yeadon star. Herring has collected 192 points, Reese, 188. Both have competed in 22 games.

MONTGOMERY COUNTY NEWS ITEM

County Commissioner Foster C. Hillegass, Pennsburg, said last week he is not in the field as a candidate for Congress. His name was mentioned for the past several months.

For the apparent reason that he had nothing to do with the original nomination Mr. Hillegass never took it upon himself to issue any denial. With the exception of Mr. Hillegass and Congressman J. William Ditter, who it is anticipated may be a candidate to continue in office, no others have been mentioned as possibilities for the position to date.

The date to begin circulation of petitions for National and State offices is February 28.

In order that Montgomery County's efficient police radio system can continue to operate in the event of an air raid emergency, the Montgomery County Chiefs of Police Association last week urged the purchase of an electric generator driven by a gasoline motor as an auxiliary unit at the Court House.

Chairman of County Defense Councils were called upon Saturday to name heads of county salvage committees as the State salvage body swung into a "long-term program" of conservation.

The State salvage body, meeting in Harrisburg for the first time, heard Federal officials stress the need for 100 per cent cooperation in a four-point program for:

1. Collection of general salvage
2. Establishment of industrial salvage programs
3. Government purchase of scrap in auto graveyards
4. Reclamation of waste metal in abandoned structures and railway systems.

Thirteen second and third class school districts of Montgomery County will receive \$259,189.27 in regular semi-annual payments of State-aid due next month and approved today by Auditor General F. Clair Ross.

Montgomery County payments: Lower Merion, \$49,130.47; Norristown, \$38,322.20; Abington, \$30,365.34; Bridgeport, \$11,044.07; Cheltenham, \$25,793.10; Conshohocken, \$9,544.07; Jenkintown, \$11,773.60; Lansdale, \$11,534.37; Narberth, \$5,396.77; Pottstown, \$41,598.25; Springfield, \$7,294.07; Upper Merion, \$7,626.61; Upper Moreland, \$9,866.35.

Montgomery County employment in November interrupted the steady upward trend of recent months with a decrease of 1,015 workers, according to a report released by H. Raymond Mason, Director of Pennsylvania of the U. S. Employment Service.

As of December 1, 1941, a total of 103,887 persons were employed in Montgomery County, a decrease of 1 per cent from the previous. The total, however, was 10.5 per cent more than the number of workers on December 1, 1940, when there were 93,975 employed, the report indicated.

Highest State-Aid Payment in County Due Lower Merion

Two hundred ninety-nine second and third class school districts in 51 counties will share nearly \$6,500,000 in regular semi-annual payments of State-aid due next month and approved this week by Auditor General F. Clair Ross.

Largest payment in Montgomery County will go to Lower Merion which is scheduled to receive \$49,130.47. Narberth Borough's share is \$5,296.77.

Arrests In L. M. Show Drop; 29 Less Drunkards In 1941

Although complaints were on the increase, the number of arrests in Lower Merion during 1941 showed a decrease of nearly 100, according to the Township's annual police department report which was released this week.

The report, submitted to C. Brooke Jones, new chairman of the police and fire committee, showed that in 1941 there were 2694 arrests as compared to 2785 in 1940. Complaints, in the same period of time, however, jumped from 7776 in 1940 to 7991 in 1941.

Some of the major fluctuations were as follows:

Assault and battery by automobile went from 229 in 1940 to 261 in 1941; burglary dropped from 31 in 1940

to 26 in 1941; disorderly conduct went from 91 in 1940 to 107 in 1941; intoxication fell off from 262 in 1940 to 233 in 1941; larceny from 79 in 1940 to 68 in 1941; operating an automobile while drunk from 61 in 1940 to 42 in 1941; the number arrested on suspicion dropped from 194 in 1940 to 71 in 1941; the number arrested for violating the motor vehicle code in 1940 was 1188 as

compared to 1259 in 1941 and in 1940 there were 185 arrests for violating township ordinances as compared to 155 in 1941.

The number of lodgers taken in at the police station showed a drop for the past year:

In 1940 there were 652 lodgers and this fell off to 406 lodgers in 1941. Fingerprint work also showed an increase as in 1940 there were 751 prisoners and civilians fingerprinted while in 1941 this number rose to 930.

Throughout the past year fines amounting to \$819 were collected for violating township ordinances.
